

Ulysses Joburg North
Second breakfast Run 29th January 2023

Today's Breakfast run was to Bronkiesbaai restaurant, a round trip of about 230km. There were 12 bikes and 14 people who enjoyed the ride however Mac went AWOL on route 😊 so 13 people arrived at the venue for breakfast. It was great to see Misha back again on the rides since his illness. On route there was some rain for a distance of about 10km however all the riders had dried out by the time they arrived at the venue. The venue was very scenic, overlooking the bay and breakfast was enjoyed by all. Everyone arrived home safe, including Mac. 😊
