

Breakfast Run Kosmos Cafe 2022.12.11

UJN members meet at the Total garage, corner of Malibongwe and Northumberland for a breakfast run every 2nd Sunday at 07h45. This Sunday (11.12.2022) the ride was to Kosmos Cafe, Hartbeespoort, which is one of the shorter rides however the route was extended by heading straight towards Van Gaalen instead of over the dam wall. Fourteen riders/bikes turned up this morning, including two prospects/visitors, Johan van Zyl, riding a Yamaha V Max and Johnny Careira riding a Suzuki Hayabusa. Welcome guys and looking forward to seeing more of you on future rides. Jimi led the ride today while Mike was the sweep. Breakfast was hearty and good value, while everyone enjoyed the magnificent view over the dam wall. A huge thankyou to Johnny Careira for choosing to pay for everyone's breakfast this morning. Your kindness and generosity was cherished by everyone on today's ride. Thankyou everyone for an awesome ride and morning. 🍷
