

## **Breakfast Run**

### **Acreage Venue, Randjesfontein Racecourse, Centurion**

**6<sup>th</sup> July 2025**

"We had a great turnout today. 10 bikes, 4 pillion riders and Bea all gathered at TotalEnergies on Malibongwe. Some of our visitors are almost like family now: Theuns joined us on his 690 KTM, Richard with his BMW and sidecar for Bea, his dog, as well as Deon P on his 1250 BMW. Tony was our road captain and Twiggs (Jimmy) was our sweeper. Tony took us on an interesting sightseeing road via Swartkops raceway, passing Waterkloof Airforce Base, past the home of Sharon and Des, turning back towards Irene Farm and stopping at the Academy for Jockeys, better known as "Acreage Venue" at the Randjesfontein Racecourse in Centurion. Ady waited for us at the venue. The food was delicious and the service was excellent."

On the way home a group of 4 bikes and 2 pillions stopped for a quick beer at Gilroy's. All arrived back home safely just before 14h.
