

Breakfast Run

Casa Linga @Cradle

21st September 2025

UJN enjoyed an awesome outing on Sunday 21.09. 2025. It happened to be Mike Stanford, our Road Captain for the day's birthday. It was one of our shorter rides, a round trip of about 58km from the start where we all met to our destination, the Casa Linga restaurant. We rode on a round about, very scenic route through the Cradle of Humankind. There was a cycling and running event taking place, so we had to switch to cautious mode riding while passing through. There were 14 bikes and a total of 21 chapter members, some arriving in cars to celebrate Mike's special day. Michele arranged a small birthday cake, or to be more accurate a cup cake with 1 candle for Mike. Jimi was our sweeper for the day and Andrew did a great job collecting the money for the drinks and superb breakfast we had. Thank you to everyone who joined in which we are sure made Mike's Day very special.

Birthday boy Mike
