

Breakfast Run

Crocodillian Restaurant

7th September 2025

8 bikes, 2 pillions and 1 dog met at Sasol Pinehaven, for UJNs first spring ride to Crocodillian Restaurant and Hotel, Fochville,

It was partly cloudy, perfect weather for riding. It was an eventful ride.

On the way, Tony got lost and led the group onto a sand road. Len's bike then refused to start – it looked like a battery problem. Richard offered his handheld battery jump starter, and Deon P offered his spanner set. The problem was traced to poor contacts on the battery terminal, which was soon fixed by Ivor and Len.

We all had a very nice (and very reasonably priced) breakfast at the Crocodillian.

Many thanks to Madelaine (accountant) and Jimi (Sweeper).
