

## Breakfast Run

### Heidelberg Club

2025.06.08

On a chilly, bright blue skies Winter morning, with Andrew leading, 9 people on 7 bikes headed out to Heidelberg Club in Heidelberg.

Taking a different route, Andrew led us down the R550 to the venue. This turned into an historical ride as well: the house was built in 1892, hosting the Heidelberg Club from 1897. A beautiful venue, with a buffet breakfast, which included oats (thanks Andrew!).

After lots of catching up and a good breakfast, 5 bikers headed off to Swaggai brewery, for an after breakfast beer. Pleasant surroundings. afterwards, Jimi, Andrew, Luke and Willem took scenic route via Walkerville home whilst Hennie and Anne-Mari took the highway home.

A great, picturesque ride today, ending in a beautiful venue.

Thanks to Andrew for leading, Jimi for sweeping and Tony for being the accountant.
