Huckleberry Café Pretoria

Enjoyable outing to Huckleberry Cafe, in the park Pretoria this morning. Excellent service, great food and lovely surroundings was the order of the day. There were 15 bikes and 20 people. Patrick's better half, Michelle, Hennie and Annemarie, Deon and Jaco joined us as visitors. Welcome all of you and we hope you enjoyed the outing. On route back home Johan had some bad luck when his bike basically just died on him and had to be towed back. Thankyou John for giving up a lot of your time and finding all these amazing venues.
