

Breakfast Run

Jacks View

Bronkhorstspuit Dam

5th October 2025

UJN breakfast ride Sunday the 5th of October on a perfect Spring Day was out to Jacks View, overlooking the beautiful Bronkhorstspuit dam. There were 12 riders and one dog (surprisingly, no pillions today) led by Andrew. Madeline and John were on the ride showing off their new bikes (BMW F800 and KTM 1290 respectfully) both stunning looking bikes. Jimmy ably was the sweeper and did a wonderful sweep. A delicious breakfast was had by all whilst having a wonderful unobstructive view of the gorgeous looking Bronkhorstspuit dam. Dam was busy with various boats jet skis etc. Madeline acted as the accountant for the breakfast and performed her task admirably. Acting road captain, Andrew, apologizes to all riders for taking them home on an expensive toll road, lesson learnt. Another successful enjoyable breakfast run for the UJN club.
