

Breakfast Run

Thanda Manzi Country Hotel

Hennops River Valley

2026.01.11

With great anticipation, we gathered at Sasol Pinehaven for the club's first breakfast run of 2026. We expected 19 bikes, but unfortunately, Quinne had an accident on his way there—more details to follow, and we wish him a speedy recovery.

In the end, 16 bikes set off from Pinehaven, including our welcome visitor Theuns on his KTM 690, along with Val, Edi, and Trina. We navigated a few cyclists and potholes in the early kilometres along the scenic Kromdraai route, covering a pleasant 61 km to our destination.

We arrived at Thanda Manzi Country Hotel, a stunning riverside venue in the Hennops River Valley.

Ady was already waiting on his bike, and Tony and Michelle joined us shortly afterward.

What a beautiful setting for our kick-off ride of the year! The restaurant staff had a mission to serve all our 23 of us our coffees and drinks smoothly.

Mike set a high bar as road captain—here's to many more safe, sunny rides ahead in 2026!

Thanda Manzi Country Hotel – truly a picturesque riverside spot in the Hennops River Valley, perfect for a relaxing breakfast stop.

Safe riding, everyone!
