

## Breakfast Run

### The Lazy Pig

2025.04.27

We met at Beyers Naude BP Oasis N, and 7 bikes with 8 people, set off for breakfast at The Lazy Pig in Petit, East Rand.

With Tony leading, and Jimi sweeping, the ride took us along the N1 N to London Road, following the R25 through Kempton Park, and the R23 to Bredell, and onto High Road in Benoni, While stopping at a junction, we were approached by 2 riders, (Gordon and Sharon from Kempton Park) who joined the rest of our ride and had breakfast with us. It was great to meet you and share a breakfast with you. We hope to see you again.

The roads were in quite good shape until we got closer to our destination: many potholes to ride around, improving our swerving skills!

Hennie and Anne-Marie met us at the Lazy Pig, with the best news of the day: Anne-Marie on her new bike, still running it in. Congratulations Anne-Marie - and after this, you'll not be afraid of potholes! :)

Congratulations to Jimi and Trina on their 39th anniversary today.

It was great to see some riders we haven't seen on bikes in a while: namely Jan, Frans and Tracey.

It's wonderful to share these rides with you, catch up and share a laugh.

Thanks Mike, for being our accountant today.

Coming home, we split into 2 groups: one going on the highway and the other taking the backroads home.

A great breakfast, good company and a good ride.
