

Breakfast run March 26 th

Dop and Chop Oranjeville

Great morning ride on one of our longer Sunday breakfast runs to Dop and Chop Oranjeville. There were 12 bikes and 14 people on the ride, a round trip of about 300km. Prospect, Deon riding a Triumph Tiger joined us once again. We also had visitors who joined us, Jerome with pillion, wife Alison on a BMW Grand American and Neil's fiancé, Christelle, also a pillion. Nice cool weather which made the ride nice and pleasant. Great venue, on the Vaal dam with superb service and food. Thank you everyone for the very enjoyable morning
