

**Breakfast Run**  
**Avianto Club House, Cradle of Mankind**  
**24<sup>th</sup> February 2025**

UJN enjoyed a lovely scenic ride to the Avianto club house, Cradle of Mankind on Sunday 23 February. As the venue was very close to home we rode on a roundabout route. There were 11 bikes and 15 people who were on the ride. Two new visitors, Damian and Elle(pillion) joined us. Welcome and we hope you enjoyed yourselves. Damian was riding an Indian motorbike as seen in the below pics. Len was also riding a new bike, a Triumph Tiger 900. Congrats Len, lovely bike. On route, we encountered many cyclists riding in both directions as well as runners, by the vicinity of the Cradle of Mankind hence had to be very cautious. The venue and food was superb. Thank you all for an amazing morning with amazing company.
