

**Breakfast Run**  
**Deck & Dam Hartebeespoort**  
**2<sup>nd</sup> March 2025**

The weather was overcast, misty, and drizzly. The UJN breakfast ride was attended by 5 brave people, on 3 bikes. Mandy (Des J's pillion and a previous UJN member) was very welcome after a long time away from the club.

Due to the threatening wet weather, the planned ride to Jack's View in Bronkhorstspuit was replaced with a short ride to the Deck and Dam just off the M5.

We arrived at the venue so early that it was even before the kettle had been put on - and before the fires were lit!

Very pleasant surroundings, though. Good company and interesting conversations, we all felt we needed a longer ride. Especially that the weather cleared up.

Lesson: Plan the ride and ride the plan.

L to R: Road Captain Tony, Secretary Jimi.,Des and visitor Mandy
