

Easter Egg Unity Ride

21.04.2025

Joining the Easter Egg Unity ride on 21st April 2025 were UJN members Willem, Deon Kapp, Tony and Michele and long-standing UJN members Gavin and Gayleen.

The charity ride was supported by 12 other motorcycle clubs. UJN's intention is to be an official supporter in 2026.

After a brief prayer, breaking of bread, and a ride briefing, the group set off following the Easter Bunny sitting in his chair on the back of a bakkie.

3 fully easter egg-loaded bakkies were on the ride - and just as well as there were many excited kiddies to hand out easter eggs to.

To some, chocolate is an absolute luxury with one child being overheard saying: "Boetie, dis sjokolade, dis sjokolade!"

The kids, and their parents were all so excited and grateful. It was truly a blessing to be a part of this today.

Quite a few kids wanted photos on bikes, so Tony kindly lifted one after the other onto his bike for their bike-photos - gym-fees paid for the day!

With JMPD and excellent marshalls guiding and supporting the group, the ride took us via Sophiatown, and Westdene, into Jan Bomb. Then on to Claremont, with the last stop being Newlands.

We went into, and passed, areas we haven't been in for years! A very interesting ride.

Along the road were many people and children eagerly waiting for the group to arrive at each venue.

Lots of smiles and laughter and excitement - from the receivers - and the givers!

It was a lot of fun and joy!

It turned out to be not only a charity ride, but a very interesting and eye-opening ride as well, with some derelict places - and some beautifully clean and pretty places to see.

The ride was very well organised and supported, without mishaps as far as we know.

At least 100 bikes, and pillions participated.

Thanks to Anne-Marie for the suggestion.

And thanks to the UJN members who participated: it was great to share this with you.

A great morning ride out.
