

Monthly Meeting

Honeyrock 2025.09.11

Very interesting monthly UJN meeting at the Honeyrock Motel on Thursday 11.09.2025. Deon number 3 was awarded his UJN patch. Deon, shared that he has ridden many bikes over the years, since a teenager, currently riding a BMW. Anne-Mari was awarded the "Social Committee" patch. Anne-Marie did a superb job arranging the 80s music Rock concert at the Barnyard Theater Silverstar casino for the UJN members. Deon Kapp was handed a scroll, "Kappies", reason being we now have 3 Deon's in the Chapter. Madeleine, is the proud owner of a BMW F700GS. Madeline has been Lens pillion since joining us. Edie, Val's better half, was the winner of our monthly raffle which she donated to the Chapter. Thank you, Edie, a very nice gesture. Congrats and well deserved to all of you. The meeting ended off with a very interesting presentation from Nick Munday, showing us UJN stats and old pics on the projector, from the time the chapter started, mentioning how, when and who started UJN. Also, stats such as how many members, past Presidents/ Chairman, bike make breakdown and how it has changed over the years.... Thanks Nick, very interesting info and picks of past members and bike outings which a few of the current long serving members recalled. Our next ride is next week Sunday 21September.
