

National Convention
Star Raceway
Klerksdorp
2nd -5th May 2024

The Ulysses Association held their Annual convention at the Star Raceway in Klerksdorp from 02 to 05 May 2024. 18 members from Ulysses Joburg North chapter travelled to Klerksdorp for the convention with about 400 chapter members from all over South Africa. There was a lot of socializing, BMW demo bikes for test rides, many food stalls with out-rides which ended off with an awards evening on Saturday night in a huge tent which was erected for the event. Ulysses members and family enjoyed an amazing well catered for supper with a couple of drinks. Our Road Captain, John received his Platinum status. We'll done John. Everyone arrived home safely on Sunday.
