

Woodrock support, Charity blanket run and recruiting drive

24.05 – 01.06

On 24th May, UJN, together with Ulysses Centurion and Ulysses Pretoria, joined in the Charity blanket ride at Lavendar Kontrei Mark in Pretoria, which was well attended by the motorcycling community.

Then on 1st June, after having collected donation items for Woodrock, Len, Madeleine, Tony and Michele showed up at the Woodrock jumble sale in aid of 2 bone operations required by 2 Woodrock rescues. The jumble sale seemed to be going well and we received a welcome filled with gratitude.

On 31st May, Tony, Willem, Lesley, Andrew and Jimi went to the Bikers Warehouse funfair day on a recruiting drive, handing out flyers promoting the UJN breakfast rides and monthly social. By all accounts, this was successful and very promising. Thanks everyone.

With deep gratitude to everyone who took the time to participate in the charity and recruitment drives during May: we are getting noticed and recognised out there. Thank you 🏍️🏍️
