

Breakfast Run / Cullinan Day Jol 2023.10.07

Que Sera

A large representation of UJN chapter members enjoyed a great outing today. Meeting at our usual spot in the morning, then proceeding to the Ulysses Cullinan Day Jol in Pretoria East, a distance of about 72km. We were blessed with great weather although relatively warm. Live music, various stalls and good food were the order of the day. Thankyou everyone for such an awesome day.
