

Ulysses Joburg North
Breakfast Run 2023.08.13
Grotto to Gravel, Maanhaarand, Magaliesburg

Great UJN breakfast run to Grotto to Gravel Maanhaarand, Magaliesburg this morning, a round trip of about 150km. On route we rode the meandering route via Muldersdrift and returned home via Magaliesburg. Nine members on 8 bikes, including all four of our prospects enjoyed the outing. Thanks for joining us both Deon's, Hennie and pillion Anne-Mari. The venue and the food was superb. Once again, a huge thankyou to John, our road captain for finding all these lovely venues and organising the rides.
