

Breakfast Run 2023.09.24

Surprise destination

UJN did things a bit differently for their breakfast run this morning. The venue was a surprise until we all arrived. Thank you very much Sharon and Des from UJN for opening your lovely home to us and for your hospitality. The breakfast you laid out was absolutely superb. There were 14 bikes and members that were on the ride. Mike brought along his wife, Pat as a pillion, who joined us as a visitor. It was a round trip of about 90km. Our road Captain, John led the ride while our President, Jan did the sweeping. Thanks guys for all you do to ensure our safety and to everyone for an awesome morning doing what we all enjoy.
