

### **Breakfast Run Windmill Restaurant Hartebeespoort 2023.10.15**

What an awesome ride this morning with fellow UJN members. We rode a round about route via Magaliesburg and stopped off at the Windmill restaurant in Harties for breakfast. Despite the weather looking overcast and rather ominous there were 17 bikes and 18 members. Like always the company and comradeship was just so amazing. Once again hats off to our road captain, John who finds the time to arrange all the venues.

Good to see Jan (I) again having a chat to Willem
