

Breakfast Run
Soetdoring Restaurant Bronkhorstspuit
10th March 2024

There were 7 bikes with 7 riders and 2 pillions on this morning's breakfast run, a 250km roundtrip to Soetdoring restaurant in Bronkhorstspuit. The turnout was relatively small as UJN also had chapter members assisting with marshalling at the Mark's Park marathon this morning. Jimi was riding his new bike, a Triumph GT Pro. Congrats Jimi, lovely bike. The ride was uncomplicated, arriving at a lovely restaurant with good and different food, including a doggie food menu! A great ride out. Thank you UJN members for a very enjoyable morning.
