

Breakfast Run
3 Dams
28 th. January 2024

Ulysses West Rand joined UJN for this morning's Breakfast run along the scenic Three Dams route. On route we all stopped off at ATKV, Buffelspoort where we enjoyed a delicious Buffet and drank lots of coffee. What a great idea to allow us to meet Ulysses members from other chapters and share what we all love doing 🏍️ 🏍️. The ride was a round trip of over 200km with some very bumpy roads and some nasty potholes. The total bikes for both chapters, West Rand and UJN was 25. Four visitors also joined us for the ride. They were Mike riding a classic, Honda CBX, Michael riding a Suzuki GR 650, Theuns riding a KTM 690 and Danie riding a BMW 1200 GS. Welcome guys and I'm sure we will see you on one of our other rides. Mac left with us however somehow got lost on route. Hope you arrived home safe Mac 😊 Our Road captain John took the lead with Jimi doing the sweeping and Julian assisting between the lead and sweeper. Thanks guys. Thanks West Rand chapter for making the ride just so much more enjoyable and we hope to have more of these joint rides together with you and other chapters.
