**Die Koppies Restaurant Brits**  
**28<sup>th</sup> April 2024**

Great ride this morning to Die Koppies Restaurant in Brits, a round trip of about 160km. On the way there we rode a route with some nice twisties. There were 10 bikes and Johnny joined driving his sports car due to a niggling shoulder injury. John, our road captain led the way while Jimi did the sweeping. The venue and breakfast was superb with amazing hospitality. Thank you everyone for an awesome morning and great company
