

Breakfast Run

Harvard Restaurant Rand Airport

12th January 2025

UJN had their first ride for 2025 today, Sunday 12th January. It was one of our shorter rides to the Harvard restaurant at the Rand airport on the East Rand, a round trip of about 100km. On route we rode on the N1 Southern highway and rode back home on the N1, Northern highway. There was a small turnout of 7 bikes and 8 people. Tony led the ride and Jimi did the sweeping. On the trip back we got caught in heavy rain in some parts. ☁️☔️🏍️. All part of the fun and memories. Everyone arrived home safe. Thanks all for a great morning and thanks Tony and Michele for choosing the venue.
