

Breakfast Run
Heidelberg Golf Club
11th August 2024

This was a warm Winter's morning, and we had an unexpectedly large turnout of 9 bikes, 3 with pillions.

It was great to see some riders we haven't seen in a while, with Mac returning having recovered from his fall.

Nicol, Luc's wife, riding pillion, with a new helmet and wearing Luc's airbag jacket, was our visitor today.

We have encouraged her to join us on future rides and she seems keen.

The group was led by Jimmy and had Tony sweeping and we set out for Heidelberg Golf Club, where only 6 bikes arrived!!

We were barely on the highway, when Hennie and Anne-Mari left for home, due to the bike constantly cutting out (after a push start when we started out - thanks Johnny and Tony).

Along the way, 2 riders (Mac and Johan) took a turn-off too soon, so they had breakfast closer to home.

We met up with the leading group, and then took a meandering route using the back roads to Heidelberg.

A really pleasant ride, with quiet roads and truly old Transvaal scenery.

Seeing wildlife such as various buck to the right of us and ostriches on our left, always makes the ride more enjoyable.

The ride took us through Heidelberg suburbs to the Golf Course.

The 8 of us who made it enjoyed simple country breakfasts and good cappuccino, coffee and (rooibos) tea.

Coming back, we split into 2 groups - one straight down the N3, and the other going back along the R59.

Again a really great UJN breakfast run, with good company and interesting conversations.

The next UJN breakfast run is on the 25th August.
