

Breakfast Run
Kremetart Bistro
Hartebeespoort
13th October 2024

UJN's Sunday ride today was to Kremetart Bistro in Haarties, a round trip of 150 km. There was a good turnout of 16 bikes with 3 pillions. John, our road captain led the ride and Jimi did the sweeping. It was a very warm day with lots of road works on route which made the riding conditions difficult. Even so that a vehicle approaching from the opposite side decided to overtake a convoy of cars and in the process side swiped Jan's bike. Fortunately, Jan managed to stay on his bike however the car lost what appeared to be the mirror. The vehicle had no intention to stop and continued driving. Miraculously Jan was not injured and his bike was not damaged. The breakfast was good. Thank you all for a great morning ride.

L to R : Mac , Pete Caunter and President Jan
