

## Breakfast Run

### O Restaurant Parys

26<sup>th</sup> January 2025

With Total Energies Northriding still under renovation, on Sunday 26th, UJN met at Pinehaven Sasol for their long ride of the month, for the ride to O's Restaurant in Parys. Before the ride, West Wits came over to say hello. With 9 bikes and 11 people, it was good to see some old faces and welcome our visitor, Madelain. The ride took us on a very scenic ride along the N14 to the R500 through Carletonville and past Fochville, A few really nice passes were a bonus! Tony led, with Andrew sweeping. At O's, after breakfast, we were very thoughtfully provided with wet-ones to wipe down our helmets. This was much appreciated by all. Coming back, most of us traveled along the N1, even though it included a tollgate (shortest way home). A round trip of about 250kms. A good morning's ride with great company, good food and a very scenic venue.
