

Breakfast Run
Saddle and Spur Restaurant,
Eikenhof
19th May 2024

UJN enjoyed an awesome ride this morning to Saddle and Spur Resuarant, Eikenhof, a round trip of about 120km. The venue was situated on a lovely scenic horse farm. Weather was also nice and warm for this time of the year. On route we went on a little round about through the back part of Walkerville which added a bit of fun to the trip. There were 13 bikes and 14 people. Our Road Captain, John led the ride with Tony and his pillion Michele doing the sweeping. Alan and Ellen, thank you for finding the great venue.
