

Breakfast Run
Safari Centre
23rd June 2024

Even though we had a cold start to today's breakfast run, we started out with 13 participants on 10 bikes, 10 riders and 3 pillions. Johnny met us at the venue making it 13 bikes and 14 people.

With John leading and Tony sweeping, we took a ride down the R114, past the Zwartkops raceway, past Waterkloof Airbase, down Atterbury and into Lynwood Drive to Safari Centre. The restaurant is set in a beautiful nursery with quite a few waterfalls and waterways.

Walking through the greenery of the nursery, with the macaws, fountains and waterfalls, it seems you are no longer in the city.

Then over a suspension bridge to the restaurant. Reasonably priced food and cappuccinos were excellent shared with good company at a beautiful venue. Even though the signs stated a "cashless" environment, they did accept cash. Thanks Anne-Marie, for being the accountant 🦋
