

**Breakfast Run**  
**Uncle Tim's Cafe**  
**Benoni**  
**27<sup>th</sup> October 2024**

On a cool, windy morning, 13 bikes with 1 pillion, set out for our breakfast run to Uncle Tim's in Benoni.

Great to see so many riders, many whom we haven't seen in a while, coming along.

With Tony leading, and Jimi sweeping, we set out North along the R114, down the R111 and R55, where, close to Kyalami race track, we turned onto Allandale Rd.

Braving the police road blocks, broken traffic lights and quite heavy Sunday morning traffic, we made our way all the way down Allandale to the R25 onto the R23 to Uncle Tims on the outskirts of Benoni North.

After a bit of a stop-start, yet, interesting ride (someone commented that although it was stop-start, at least we weren't on the highway in the high winds : ) ), with bougainvillea and Jacaranda trees in full bloom, we arrived at a really cute venue set in an original old farmhouse. Parking the bikes under the Jacaranda trees, we headed into the back garden (old farmhouse garden), and enjoyed some really great food, served hot and fresh, at very reasonable prices. With some people having caught the Willem milkshake virus :).

Once we'd indulged in great conversations, good company and excellent food, we departed with Hennie leading and Jimi sweeping.

A good morning out.
