

Marshaling
City to City
31st March 2024

Six of our UJN, members got up at the very early hours of Sunday morning, to assist with the marshalling at the City2City - Pretoria to Joburg marathons. There were 3 events, the 50km ultra marathon, the 10km and 5km events. UJN assist with giving officials, be it referees, photographers or sponsors a ride as pillions to get from place to place quickly to perform their functions. There are obviously strict rules in place to safeguard the UJN rider. Thank you, Adie, Jan, Hennie, Deon, Mike and Patrick, for giving up your time at the crack of dawn to assist. Also thank you Anne-Mari for the nice pics.

The poster features a grey background with silhouettes of two runners at the top. On the left is a red ribbon seal with the text 'R 1.2M PRIZE MONEY PURSE'. On the right is a circular logo for 'COMRADES MARATHON' with a yellow banner below it that says 'QUALIFIER'. The main text reads 'CITY2CITY 2024 MARATHON' in red and black, followed by '31 MARCH 2024' in large red and black letters, and 'Pretoria to Johannesburg' in black. At the bottom, it lists 'EVENTS: 50km Ultra Marathon • 10km • 5km Road Race'.
