UJN held their monthly meeting at the Honeyrock Motel on Thursday 13 February. Our President, Jan and Vice President Steven have both made the decision to step down. A huge thank you for everything Jan and Steve did for the UJN Chapter and for giving up so much of their time. To both of you a BIG applause 🙌. Our new President and Vice President was announced. Congratulations to "Lang" Willem Kruger and Michele Mollentz who will be the new President and Vice President of UJN. Tony Mollentz will also be taking over from John as our new Road Captain. Thankyou John for all the time you gave up finding all the great venues and scenic routes. "The Accountant" Andrew and Mike will be assisting Tony with the road Captain duties. Steve was also presented with his 15 year membership scroll.

On a sad note, UJN will be attending and taking part in a bike ride by at Misha's funeral on Saturday. Condolences to Misha's family who are in our thoughts and prayers
