OFFICIAL CHAPTER RIDE

2 JUNE 2019

Amanzingwe

Only 2 riders, two bikes...

Jackie and Bryn met up at Pinehaven and invited Marinus Havenga to join them on the ride.

June is a big month for birthdays so many Members were tied up with family affairs.

Marinus was going to Amanzingwe so the 3 bikes headed that way, via the Lanseria road.

With the memory of the big accident of the previous week, Jackie was riding at a relaxed speed which suited the guest on his classic Katana.

It was a sunny morning, but the cold air was proof that it is now winter. Arriving at the venue it wasn't very busy with a choice of tables. Conversation flowed around the 10 Katanas Marinus is the proud owner of, the biggest private collection in South Africa. He owns another bike or two as well.

After enjoying a good brekkie as usual, it was time to head home.

RIDES

Official Chapter Sunday Ride: 1st Sunday of the month.

Sunday Breakfast Runs: Every Sunday.

Meeting Place: Pinehaven Sasol Garage

GPS: S26.06168 E27.83200

Time: 08:30 to depart 09:00

8 JUNE 2019

Only a few members were able to attend the meeting, but the Committee held their usual meeting, discussing what had to be done. The Year End Function was discussed and with the Members present, a decision was made to pay the deposit and book at Harties Resort.

After the meeting Jackie had to blow out candles to celebrate her birthday on chocolate brownies! Grant was wished for earlier in the week.

Some wine added to the celebrations and soon everyone was enjoying Jackie's mussel soup and biltong soup. Lesley spoilt everyone with apple tart for dessert.

It turned out to be an evening of sharing memories of Ulysses years ago with memorabilia from Andre's pub – some items up 20 years old...

All too soon it was time to go home. A super afternoon/evening spent with Andre and Lesley as hosts.

CANCERVIVE VICTORY RIDE

9 JUNE 2019

Stonehaven on Vaal

Bryn and Tania joined Jackie on this ride to Stonehaven on Vaal.

Meeting earlier than usual we set off to Indian Motorcycles at Melrose Arch where the ride was starting from.

More than 50 bikes and 10 Urals with side cars made up the group. The Think Bike Marshalls managed the group, ensuring our safe arrival at the venue.

Meeting up with new friends and old friends we were seated in the conference area. A Cancer Survivor shared his amazing story about finding out he had cancer, his operation, treatment and family support.

Then we enjoyed a buffet breakfast. The three of us rode home on our own, leaving the crowd behind.

Thank you for the support.

FATHER'S DAY

16 JUNE 2019

No Chapter Ride, but Members had a good one - some spent the day with their children and grandchildren.

Andre vd Heever spent the day at the Swartkops Ferrari day while Vin and Rob enjoyed Jody Wayne at a local sports bar...

CANCERVIVE LADIES TEA

Kathy

22 JUNE 2019

Kathy hosted a Ladies Tea event in support of Jackie's Cancervive Fundraising for the second year running.

With support from some of our Chapter ladies, family and friends the event was a huge success – raising R3500.

Thanks to all.

BREKKIE RIDE

Amanzingwe

23 JUNE 2019

Mike wanted to join the group and Amanzingwe is close enough for him, with a pleasant ride going there.

Five bikes left Pinehaven, enjoying a fresh but pleasant ride.

Timing was perfect as Mike arrived and the bikes were parked. A table in the sun was picked and we enjoyed being together. **Fin enjoyed riding again being Andre's pillion for the day.** Good food, good company, bikes – what more do you need on a Sunday morning!

Leaving from there we headed via the Satellite road to Brew House for a pink one... At the scene of the accident of 2 weeks ago they were planting crosses, once again having bikes and cars on the sides of the road, paying last respects for the deceased.

At the Brew House the ladies enjoyed a pink beer – blackcurrant with rooibos and a touch of gin... Kobus opted for the mango mix while Andre enjoyed a pink milkshake, much to his shock being more expensive than our beers...

All reported home safe, closing off a pleasant Sunday morning out.

Greg, Annamaria, Andre vd Heever and Harry met at the Fair which was held in aid of the M.O.T.H.'s.

There were a number of old vehicles, aircraft, canons and other equipment on display as well as quite a few stalls displaying and selling military memorabilia.

After looking around, chatting and enjoying some refreshments on a lovely highveld winter's day, we each went our separate way for the rest of the Saturday afternoon.
