Sunday Breakfast Run The Doors Parys 13 January 2019

The Chapter Road Captains had held a planning session, drafted the ride plan and presented it at the Chapter's Monthly Meeting. The ride planned for the 13 January 2019 being namely a short ride to The Doors.

On Sunday morning there were 11 souls that met up at the 007 Garage for the ride. Due to a Black Bird being under the weather somewhat and requiring repair in a bike theatre, Philip decided to go by the Combi Cage.

the main servings ordered to be served.

There may have been a service hic-cup in the past but one must believe now that the service issues had been addressed some time back and the group on Sunday had nothing but praise for the venue & food once again.

After chin wagging for an extended period the group only left at around 12h20 for home. Great morning had with great people. All reported home safe on the Chat Group.

On our arrival at The Doors round about 09h40 we found Alistair at the top of the stairs greeting & welcoming the group into the venue.

Our usual "bottomless coffee" was brought to the table and then the breakfast orders were taken.

The large plates containing the Fresh Farm Bread was then served so the group could snack whilst waiting for

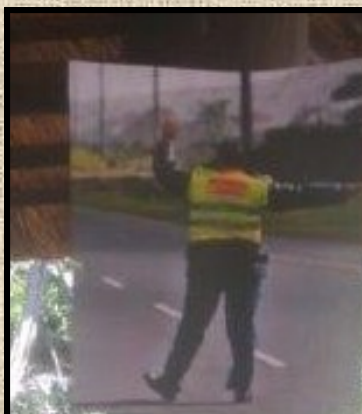

Seated next to Philip, Steven & Rita on their 1st Ride and hopefully with many more in the future with the Chapter.

Chapter's Monthly Meeting & Social 12 January 2019

During December 2018 Rene & Dawie asked if they could host the first meeting of 2019. They wanted to host it at Kraalkop Nature Reserve at one of the large Lapas. Their offer was accepted without a second thought & was truly appreciated by the members.

On arrival one was greeted at the entrance with a Service Station where one could check the water & oil and top up before going further. Well the entrance shooters got the function warmed up and going. Members on entering the Lapa walked around and read the many notices placed at strategic places and the humour had members smiling.

"you don't quit riding your bike because you get old, you get old because you have quit riding your bike."

Chapter's Monthly Meeting & Social
12 January 2019

The monthly chapter meeting was duly held, business discussed, decisions made and then after the meeting conclusion the braai fires were lit. Whilst the fires were getting ready to braai the games stated.

Our very own version of the Street Outlaws - Drag Racing where the competitors choose a manufacturers sticker and choose a prefer colour bike. The ride then places his sticker onto the bike's headlight and Bobs Your Uncle you ready to compete.

The photos on this page are but a small sample of the hilarious attempts to be Streets Outlaws drag racing a bike.

Some of the ladies who are normally only pillion riders & also unlicensed ended up going in reverse to the winning line. However 3 of our ladies pointed there bikes in the right direction with great speed staying with the track markers so with nil disqualifications.

The men's race final must have been "rigged" in favour of the President who won the prize. Just look at his head which on the last straight must had been close to overheating and blowing up - the reddish colour tells the full story.

With the weather being kind the outside Braai was chosen.

Norren giving Chris a bit of love to help heal his injured knee. Injuries he received as he went down hard to slide over the finish line to "SCRAP" home as that leg's winner.

Meeting & Social
12 January 2019**

A member was heard saying "How does one keep a group of bikers happy"? Just make a Tattoo Parlour available and they are happy.

What a great start to the 2019 Year and the Chapter thanks Rene & Dawie for going the extra mile and really moving the benchmark up to the next level. They were excellent Hosts for sure.

Hopefully the few photos selected for the Newsletter do the Hosts justice. All reported home safe.

Ride Against Poor Service Delivery

The community of Merafong being tired of the poor or lack of service delivery of the Municipality rode through Fochville and then Carletonville en route to Pick-n-Pay parking area where bikes, cars & bakkies were parked and then they marched to the Municipality Main Offices. They held a peaceful march, danced & waived their placards and then handed over a list of demands to a Representative of Council.

The many deep potholes within the town are a great danger to all the road users. Some of the potholes can swallow a quarter of a motorcycle's front wheel should one ride into it, being just one of the many grievances.

Smile a While

With a little twist on the sidecar concept, Harold was able to ride his motorcycle well into his later years.

Children in the dark make accidents, but accidents in the dark make children.

I wonder what my parents did to fight boredom before the internet. I asked my 17 brothers and sisters and they didn't know either.

A biker chick phoned me the other day and said, "Yeah you can come on over, there's nobody home." I went over. Nobody was home.

The last thing I can remember before waking up in the ICU
