The Drift Hotel

Muldersdrift

Valentine Run

After much discussion it was decided that due to Covid-19 pandemic it is far safer to go to a venue for breakfast which has open spaces in gardens under shade and where one can practice social distancing a lot easier. The Drift Hotel is one such ideal place and the bonus being their tasty & reasonable priced food menu.

The meeting point chosen being the 007 Engen Garage for a 09h00 ride off. Specs had invited a friend, Tony along who is also interested in knowing more about Ulys-ses SA. Tony arrived on a BMW GS with his wife Louise riding pillion followed closely by his son [Reinhardt] & daughter in-law [Alichia] riding pillion on another Bmw GS. Let us hope that we see more of Tony & Louise on future rides.

The route chosen was R500, N12 and then the Kromdraai R540. Allan was asked to take the lead just before the Kromdraai turnoff as he know the route to Mulders-drift. Bad Mistake that was. Allan and his Infamous Bmw's GPS missed the circle turn to the Muldersdrift road and thus went way passed to go meet up with the R512 which runs past Lan-seria International Airport. Ok the ride was longer and that what it is really about.

Arrived at The Drift just on 10h10, plenty of parking and after the Covid-19 pro-tocols recorded, quickly found with the help of a waiter a lovely seating spot out in the gardens.

Drinks and food ordered was served in good time. Waiter was friendly & help-

ful even allowing for individual accounts around the table. After a drink, munch & some chin-wagging the group set off on the return trip home arriving in Carleton-ville around 14h00. The Drift remains on

the Chapter's Favourite Venue List.

All reported home safe.

Beatrix Birthday Bash

Oberholzer

Some ladies in the Chapter had pestered Beatrix & Gerald as to hosting a Birthday Party for Beatrix and whilst at the same time respecting the Covid-19 Level 3 Rules & Regulations.

When the members looked again the Ladies had organised a Bring and Braai with side dishes and deserts. The only concern being that the Curfew must not be missed. Guests started arriving from 15h00. The party had begun....thanks that Tops Bottle Stores being opened again from Monday to Thursday to purchase stock.

Beatrix's smile when opening the **first** bottle of red wine - thanks that the Bottle Stores had been allowed to open up again for off site drinking.

Seemed like a new version of Social Distancing was introduced. Not one male seen in any of these photos.

The Braais

Ok, the men had left the ladies on their own so as to braai & nothing to do with Social Distances. Photo on Right: One small rain cloud blow over and deposited some of its rain for a few minutes and then blow away leaving behind a beautiful summer evening.

As normal the Ladies had gone out of their way to lay out a super spread of side dishes to go with the braai meat. Then to round off the banquet was some amazing deserts.

Left: Beatrix, the Birthday Lady & reigning Chapter Party Animal enjoying a moment with the Ladies with her favourite drink in hand - a good red wine.

The members in attendance had a blast & special word of thanks went out to Beatrix & Gerald for going the extra mile to host the Ugly Buggers so that they could celebrate Beatrix's birthday with her.
