## Breakfast Run

### Krugers Kroon Lindequesdrift

19 January 2020

Mid January and only 2 riders up for the Brunch Run to Krugers Kroon in Lindequesdrift. The ride was planned once again for Kruger Kroon so that those that missed out on the previous ride could join. Generally though, January is a very long month before payday arrives.

From Left ; Marius [Road Captain], Allan [President]

Arrived at the venue to find that it was an open menu so once seated Marius ordered a Schnitzel with chips. Allan ordered a plate of French Fries. Service was relatively quick and the food was tasty and good size portions. Waitress was friendly and ensured all was fine.

Whilst sitting eating at the viewing bench the buck were very close to the restaurant and therefore could be viewed clearly.

After brunch Marius and Allan took a cruise back to C/Ville whilst the clouds looked threatening but arrived home safe and dry.

## Pensioners Run

Pit Stop Along M5 [R114]

GPS S26.05280 E27.89357

21 January 2020

Met up at 007 Engen Garage in C./Ville and rode off at 08h00 sharp to go meet the West Rand bikers at the Dros opposite the Key West Mall. The group then rode to the Pit Stop.

For R70 one got a bit of everything dished onto the plate.

2 x fried eggs

2 x pieces of toast

1 x Russian Sausage

2 x pieces Bacon

1 x serving baked beans

1 x fried tomato

4 x fried mushrooms

3 x crumbed onion rings

1 x cuppa coffee

This was one breakfast that a number of bikers just couldn't finish it was so large. But tasty it was indeed.

After breakfast the group set off to take a private viewing of the owner's collections of cars, bikes, bicycles, trucks, furniture and well of any and everything in or outside his private warehouse.

Great morning out had socializing with fellow bikers and meeting a very eccentric elderly gentleman and owner of the Pit Stop.

**From Left: Marius [Road Capt], Allan [President], Trudie [Treasurer], Nicky [Vice President]**  
**Not in Photo: Johan, who the group met up with at 4ways N12 & R500 Engen Garage.**

**A** group of five members rode out to Parys to have a Belgium Waffle Breakfast and with the aim of being back in Carletonville by 13h00 latest as some had other arrangements for the Sunday Afternoon.

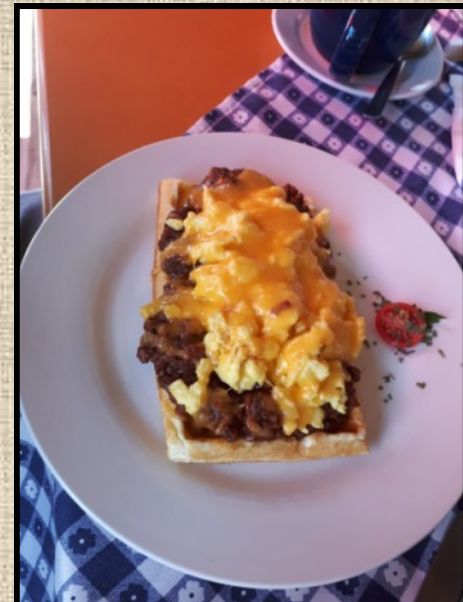

**K**nowing the restaurant portion sizes, most ordered only a HALF portion which was really very filling. For a last "cheat", some ordered milkshakes which were topped up with a good size helping of ice cream served with a straw the size of a conduct pipe so one can get the creamy tasty milkshake down the hatch.

**Double Thick Peanut Butter  
Milk Shake**

**T**he only problem with the restaurant being it doesn't have a liquor licence. But with the new Aarto Act of 0% Blood Alcohol which will be enforced as from June 2010 the visit was a sample of what is to come.

**W**ith full stomachs the group swung their legs over the saddles and took a gentle Sunday Afternoon ride back to Carletonville whilst Johan rode to Potchefstroom.

**Half Portion Breakfast Stack**

**All reported Home Safe.**

# Pensioners / House Wives Run Carletonville Bowling Club 28 January 2020

The C/ville group met up at 007 Garage and rode to the Sasol garage opposite the West Village near K/Dorp to await the West Rand rider.

When leaving the Sasol garage the group had grown to 22 and then a late Gold Wing Trike ridden by Mama Kawa with George as pillion met up with the group at the Clubhouse pushing the total up to a 24 of which 5 were Ladies.

Carletonville / Fochville Riders

The Bowling Club kitchen team really put a serving together that was fit for as King & Queen without question. The bar served drinks at very economical prices. So most order a Whaa to go with their coffee.

After Breakfast Jannie guided those that wanted to go see, on a trip to view a pensioner building a V8 Tricycle and to see some of Jannie's old vintage Cars. The Tricycle below must be running on the road by end of February.

Great Pensioners Outing had once again.

What you see in the photo being the meal served for R65 p/p.

## Smile a While

Nurse: "We need a stool sample and a urine sample."  
Biker to wife: "What did she say?"  
Wife to husband: "They want your underwear."

Before the biker tells his wife something important, He takes both her hands in his. That way she can't hit him with them.
