Brunch Run.

Raasblaar Country Lodge.

Rustenburg.

At the monthly Chapter meeting the members were asked who would be joining in on the Official Chapter Monthly Run so that Spec, the Snr RC, could finalise the booking for the Sunday Buffet.

Due to Caltex garage in Oberholzer under going an upgrade and fenced off from the public the group decided to meet at Slabbert Motors garage. Meet up to leave at 10h30 for Rustenburg. On our arrival at the Garage we found Beatrix serving birthday cake to the members as part of celebrating her Birthday. Great surprise that was indeed and a tasty sugar rush for fuel until lunch.

Great selection of dishes to choose from. One just couldn't get through all the dishes without over indulging.

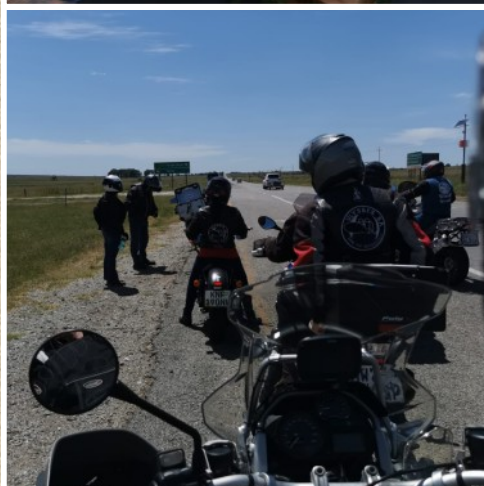

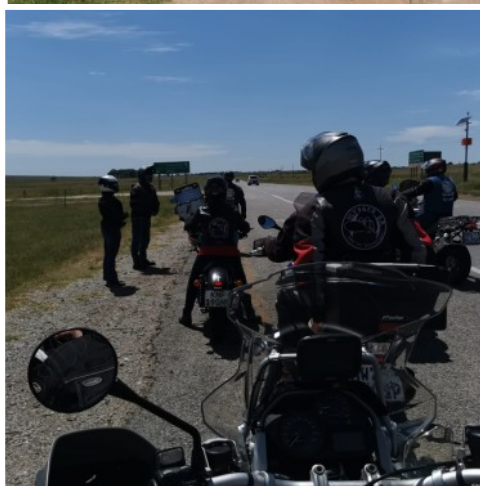

Comment overheard "this place definitely needs another visit in the future".

All report home safe ending an Awesome Day.

Tips & Hints

When to change your motorcycle oil?

One of the most important things to remember, should you want to keep your motorbike in a healthy condition, is to **change the oil & oil filter as per OEM recommendations**.

Oil changes should **ideally be done once a year** even if your kilometres for next service has not been reached.

Normally oil is change every 5,000 or 10,000 km depending on the model of the motorcycle and its OEM Service Recommendations. You should how ever **follow the instructions in the user/service manual**.

Note: During hot summer months more oil can be consumed, so advisable to **check oil level regularly**.

Note: When changing the motorcycle oil one should also change the oil filter sourced at the OEM Dealership for a quality filter.

Diarise Important Dates
