Ink & Iron

Even with the cloudy weather forecasters threatening rain, Trudie had made it clear that this year she wanted to go to the Ink & Iron. So with no other takers from the West Wits Chapter Allan approached other Biking Clubs in the area to see who else would be riding to Germiston. The Wild Hogs stated that they would be going but that was also weather dependant.

Saturday at 07h40 Allan & Trudie parked the Beemer at 007 Garage

and waited for the Hogs as scheduled. By 08h00 with no sign or word from the Wild Hogs Trudie made the decision that Allan & her would ride alone to the Ink & Iron venue and Allan can tackle the Gillooly's Interchange on a Saturday Morning at around 09h00. Fortunately the rain stayed away as predicted on rain-boo.co.za which has proven it worth over the last while and the ride to the venue went off without a hitch.

Arrived at the venue paid the entrance fees and went on to park right next to Andre [Ulysses West Rand] who had just arrived. What a small world?

Did the normal walk around viewing the vender wares and purchased a few items. Noticed a number of Ulysses Chapter Members in attendance namely from East Rand, Far East, West Rand. After having a bite to eat Trudie & Allan visited the Concours Bikes on Show and went up to the top of the Club house where it was a great advantage point to view the grounds. Later Kobus & Teresa from Ulysses West Rand joined the table.

If you have never attended an Ink & Iron then make a point of going next year, and I'm sure you will not be disappointed. Arrived safely in C/Ville at just before 17h00 oh, had stayed dry the whole day.

Pensioners Breakfast Run
Oribi Pub & Grill
Randfontein
25 February 2020

Once again Tersia [Owner & Manager] went the extra mile and had an excellent breakfast prepared at a very reasonable price of R65 p/p inclusive of the coffee.

The group has grown so big that the venue didn't have enough normal size tables & chairs to accommodate the larger group, so some opted to sit on the high chairs and table.

Yet other great Pensioners Group Breakfast ride & where the new group T-Shirt was

launched as per photo below:

Pensioners Breakfast Ride Rossi Sport Bar & Gas Monkey Vanderbijlpark 03 March 2020

The Pensioner Ride Group had taken a decision at breakfast on the 25 February that it was time to get in some kilos and tasked Allan to arrange the ride to Rossi and make necessary bookings for Breakfast & then lead the group onto to Gas Monkey for a cold one as a number of Carletonville, Fochville & Krugersdorp pensioners had heard but never been to either Rossi or Gas Monkey.

A total of 20 rode off from the Sasol Garage opposite the Cowboy Town taking the R28 then the Highway towards Rossi. On arrival and as promised by Wayne the owner, a large Urn Hot Coffee Pot was waiting for the group and that the coffee on was the house for the group.

All settled for the Bikers Breakfast for R89 p/p. Once again 20 standard breakfast orders were placed and the food came out the kitchen as if it was on a conveyor belt. Plates were hot and food size good & very tasty.

After breakfast was finished the group set off for Gas Monkey but the Harleys had to first fill with fuel along the route up as normal. Arrived at the Gas Monkey and found plenty of sitting place inside the venue for the group. Tables were available to accommodate the group of 20.

Neels sat down with the Owner of Gas Monkey and discussed a possible Breakfast run to Gas Monkey in the near future and discussed a Bikers Breakfast menu.

At just after 13h00 the group set off home with the West Rand bikers taking the R59 whilst the Far West bikers taking the R28.

Yet another great Pensioners run.

Smile a While

The real question isn't at what age I want to retire, it's at what income to be able to ride what bike.

You're really old when you can remember when emojis were called "hieroglyphics."

Read an e-mail today from a "bored housewife 33, looking for some action!" So I've sent her my washing & ironing, sure that'll keep her busy.
