01 May 2021. Hoodlums MC Booze Cruise Harties Dam

The Booze Cruise of 2020 was postponed from June 2020 due to Covid-19 Pandemic to the 1 May 2021. Those that held tickets had asked that the tickets get held over so as not to lose out due to the limited tickets available.

Arrived at Harties around 08h30 which was well before the large group of arrivals. Ulysses was one of the first to board the boat at around 09h15 and managed to get the semi private partitioned spot on the upper deck at the stern. Comfortable chairs and great viewing position.

The captain of the boat weighed anchor at approx 10h10 and then the real party started when away from land & out on the water. Bottom Deck Bar served Beers & Ciders whilst the upper deck was where the Hard Tack was served. The life band playing good old rock music.

Ulysses West Rand Chapter had the Large Cooler and so served up some liquid refreshments both before and after the boat trip. Something just to warm one up just a wee bit.

This Year's Booze Cruise was just as awesome as the one held June 2019 but with less people onboard due to Covid-19 Pandemic & Social Distances Regulations. Great time had by all and the Chapter looks forward to next year's Hoodlums Booze Cruise.

who were unable to attend the Booze Cruise at Harties met and rode to Western Deep Levels & the Clubhouse of Megaforce. Ever so grateful that Ulysses could support both Jols on same day. The usual food vendors were present & a Bike Dyna Machine.
