Brunch Run to Rossi Sport Bar.
Vanderbijlpark.

There were only 3 x members [C/Ville Group] that ended up at the venue as posted on the Chat Group. 2 x others [Potchefstroom Group] ended up misreading the post on the Group and ended up at The Doors for breakfast.

From Left: Allan [Pres], Trudie [Treasurer] & Andries.

The C/ville group met up 007 Engen Garage and let out the clutches at 09h00 and headed along the R501, N12 & R28, N1, R57, Ravel Road to Rossi. The R28 had undergone repairs and only 3 potholes were observed on route to Rossi.

The venue was rather empty most likely to the cold spell that had crept in over night. The highest temp on route noted on the GSA Screen was 11 degrees.

The owner of Rossi explained about a pending name change as a new franchise was going to be launched called **The Bikers Race Bar**. Further details would be forthcoming shortly. Refer to his mission statement at bottom of Page 2.

24 July 2022.

Brunch Run to Rossi Sport Bar.

Vanderbijlpark.

Whilst waiting for the food order to be served the group noticed the arrival of 4 members of Ulysses Klerksdorp. After greetings and a short chinwag with them the waiter brought our food. Andries & Allan had gone with the 300 gram steak, egg & chips. Well for the record it was one of the best 300 gram steaks had in ages. Trudie had decided to going with a Pie, Gravy & Chips [Photo Right] which she said was very tasty and would order it again in the future. Whilst eating the venue started filling up with bikers.

After devouring the servings the group set off for Parys so as to stop over at The Doors for a large glass of OBS followed by a hot cappuccino.

The Doors situated along the R500 is a great venue since the new owners have taken over and made their mark.

After enjoying the cuppa the group hit the road again heading for Carletonville & Home. The R500 also had all the Potholes repaired and was once again a pleasant ride home.

The "ring road route" taken put 198.3 kms onto the clock for the day.

Arrived at home in time to watch the F1 race on TV.

All reported home safe.

19 July 2022.
Pensioners Breakfast Run.
Rhino & Lion Park along R540.
Kromdraai.

It had been tossed around for a period that the group would arrange for a run to the Rhino & Lion Park. This was duly arranged by Allan with the venue and for a group standard breakfast & coffee. Should a group make arrangements with the managements well before hand then they could offer a Buffet Breakfast. However once the food started being served it was a constant delivery without undue delays.

Food was very tasty and yes this venue would definitely be on the short list for a return visit to try their Buffet Breakfast serving.

Whilst sitting down waiting for the food to come out of the kitchen the group viewed & took photos of the nearby wild game. The two Giraffes [see photos on next page] were so friendly & accustomed to close contact with humans that they got real close to the pensioners. Giraffes also knew to keep their bodies away from the electric fencing allowing only their heads to reach over the handrails to get human contact.

Pensioners Breakfast Run.
Rhino & Lion Park along R540.
Kromdraai.**

The Neck & Deck Restaurant where one can be seated inside or outside. The pensioners were seated outside on the long viewing platform.

Louis - [white cap is a 81 year old pensioner who rides a Boulevard & Gold Wing] waiting his turn to rub the giraffe.

Seating on the long viewing deck under shade was awesome so as to get a great view of wildlife and to interact with the giraffes.

One point of note is that booking for a group is essential for weekend visits as the place is very popular to Locals & Holiday Visitors. They also offer game drives and overnight accommodation.
