Andries's 60th Birthday
Orkney.
North West Province.

Andries, a Ulysses West Wits Founder Member, had planned a camp for a whole weekend next to the Vaal River to celebrate his 60th Birthday with his Family, Friends & his Ulysses Chapter Members. The Theme was "**Cruise On Over for Andries 60th**" & the Dress Code was "**Biker Theme**" [Demin & Black or Leathers].

Unfortunately due to Covid-19 Positive Cases, Matric Farewells on the Saturday evening, Work Commitments only 6 x Chapter members were able to leave Carletonville at 13h00 on the Friday and to head for Orkney and the Vaal River Camp Site to join Andries & Manda making it a sum total of 8 Chapter Members.

Arrived at the site after the Trudie [Treasurer] had tried to follow Andries's hand draw route note and logged onto Google Maps. But then with two stops for the convoy drivers to concur the group arrived at the camping site on the farm. Set up camp and connected the electricity needed to keep the drinks cold.

The advisory was to put up gazebos or caravan tents/patio as heavy rain was forecasted.

2021 Poppy Day

Dalpark

Brakpan.

When the Sunday arrived there were only 2 chapter members at the 007 Engen Garage Carletonville being the Meeting Point for the Poppy Run to Brakpan on the East Rand.

Allan [President] & Marius [Road Captain] discussed route etc & decided to rather ride direct to the venue so as to get seating which is always very scarce each year.

The roads weren't very busy, being early on Sunday morning, and arrived at the venue before 09h00 found parking under a tree and went through the entrance, Paid the R60-00 entrance fee and bought a Poppy Day Badge.

Allan & Marius sat in the shade of a large tree and watched the Parade, laying of the Wreaths, Prayers & Speeches. After the formalities 2 x helicopters performed a low fly pass distributing the bags of Red Poppies which the wind blow away from the Parade Area.

Allan & Marius left shortly after the completion of the Parade formalities and rode back to Carletonville so as to be in time to watch the MotoGP.

Tips & Hints

In the photo motorcycles were strategically positioned so as to give one an idea of the Truck Driver's many BLIND SPOTS.

One of the old school rules is "If you can't see the driver's face in his rear view mirrors, Then HE CAN'T SEE YOU.

That rule also works for all motor vehicles.
