Monthly Chapter Meeting & Social.

The attendance was slightly down this month due to members away on leave, working and sick. The weather was a perfect day for both a meeting and a social braai. The Chapter Members preferred the Monthly Meetings & Social to be held every 2nd Saturday of the month.

Photo on right & below showing the pre-meeting preparations at the 'Club House' & under the Patio.

Note that the tables have Snacks available for those who were a bit peckish.

Monthly Chapter Meeting & Social.

The Chapter's Ladies yet again had gone the extra mile supplying the of the meeting snacks, side dishes for the braai & deserts to round off the meal.

Yet another successful Monthly Chapter Meeting and Social done & dusted.

All Members had reported Home Safe.

Black Oyster Rally.
Schoenies Malay Resort.
Schoenmakerskop.
Port Elizabeth.

Whilst down in PE, Allan & Trudie heard about the Black Oyster Rally hosted by the Immortals MCC from PE. So it was decided to go down the coast line early on Saturday and experience a PE Club's Rally.

Arrived at the venue and were warmly welcomed as Day Visitors at a reduced rate. Went to the Large centre Tent to get a drink & table to sit at when William from Ulysses Boland in Western Cape arrived and had a chat. [Photo Below]

Shortly thereafter a the Road Capt of Tribal Cats from Uitenhage , Johan asked to join our table with his party of 3. They had lots of questions about Ulysses West Wits & where we were from etc. Was great chin wagging with them & William.

Some others that had a chat were from Guts & Glory MCC from PE.

One young club member even asked how old we were and do we still ride motorcycles. They were so surprised to see that Ulysses has such a lot of older members who still ride bikes. We duly informed them that Ulysses Klerksdorp Chapter has a member of 90 Years Old & who rides regularly. That we could see on their faces that they found hard to believe.

Port Elizabeth.

What was noted was a lot of Clubs had their support vehicles & trailers or even Mobile Homes on site and not banished to outside the campsite. Cost to park inside was only an extra R50 for the weekend.

The camp site is basically on the edge of the coast line & beach. For a Vaalie this was awesome.

Trikes, it was noted, are very popular at the coastal town of PE & surrounding areas with many seen at the Rally.

Again looking at the backdrop for a Vaalie is just so cool seeing the sea so close.

Wondered if the Trikes are preferred due to the strong PE Winds which throws a motorcycle around the road quite a lot.

Main Tents

Rent a Tent Village

All tents had a sea view.

This Lady Rider came right up to the main tent on her large V Cylinder Bike handling it like it was a little scooter.

The experience was an awesome one proving once again that the biker brother/sisterhood does exist and one is always made feel welcome in another province at their events.

Some of the bikers said to us that it was their first Rally since the Covid regulations had been relaxed and they were celebrating a lot more than would normally.

20 Aug 2022.

Three Musketeers [Aka MustHaveBeers].

Run to BMW Motorrad Fourways.

Johan had posted a message during the week on the Chat Group asking who would like join him on a ride going to check out some bikes at BMW Fourways. Not many takers as only 3 riders rode off on Saturday.

The group meet up at 007 Engen Garage and rode off at just on 09h00. Arrived at BMW and looked around when they noticed a Triumph Tiger 800 XRX in excellent nick and the a discussion went around that being an ideal bike for a Lady rider. Plenty of power from its 3 cylinder motor. Then the conversation moved on to Johan and his collecting his BMW K1600 GT which was in for a service/repair and a deviation trip to China Mall near the Dome to pick up meat pots for Jan.

After Johan sourced the pots a discussion about where to get a grub came up with the Drift at Mulderdrift being the preferred venue. Arrived at the Drift Inn and seated in a jiffy.

After perusing the menu all ordered the Hake & Chips being the Special of the Day. Grilled being the healthy option.

The food at the Drift Inn was very tasty and portion size just right so it went down well . This venue is a bike friendly. A bonus at the venue is a one man musician who started to play just after 13h00.

After Lunch the group proceeded home taking the N14 with Jan's box of pots were strapped to Johan's K1600 GT on the back seat and a hectic wind blowing so from time to time had to stop to retighten the securing straps .

All posted home safe.

Pensioners Breakfast Run.
Thatchwood Farm.
Magaliesburg.

The previous week a request had been made to visit Thatchwood just past Magaliesburg. The wheels were set in motion & arrangements made. On the Tuesday there were 16 riders who met up at The Dros in Krugersdorp opposite the Key West Mall.

It was an awesome longer ride & taking on some twisties along the R563 & then along the R96.

The menu as per photo on left, was not what one expected for R100 per person inclusive of bottomless coffee. [2 x fried eggs, 2 x toast, 2 x bacon rashers, 1 x cheese wors, & scoop of slap chips].

The Pensioners before breakfast broke out singing Happy Birthday to Allan & handed him a double shooter sized glass of Jagermeister to down. Great bunch of pensioners showing what brotherhood is all about.
