### Umfula Resort - Brunch Run.

The decision to ride to Umfula Resort had two objectives. One being to go riding to get in a Brunch ordered off the Menu & the second being for the Chapter ladies to sit down with the Umfula Management to finalise the Year End Break-a-way weekend arrangements with the Kitchen Management etc.

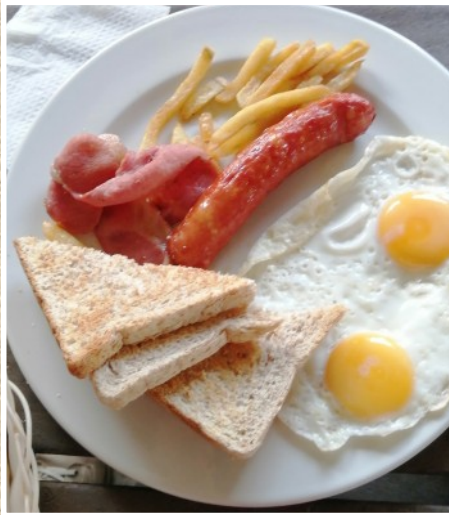

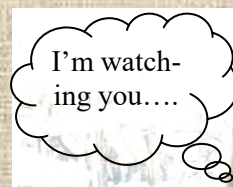

The C/Ville members met up at 007 Engen Garage and rode off at 08h30 and headed for Potchefstroom to meet up with the Potch members at the Wimpy opposite the Mall. At 09h10 the group let out their clutches and headed for Umfula near Parys. Arrived at Umfula Resort just in time to get 3 long tables.

Swimming pools had undergone annual maintenance during the winter months and were looking great.

## Umfula Resort - Brunch Run.

Some photos just to show some of the dishes on the menu and which the members ordered.

The Kitchen had ran out of eggs for a while waiting for the delivery to come from Parys. Umfula had under estimated how many persons would be making use of their kitchen. Maybe since the Doors Restaurant had closed down causing the attendance at Umfula to increase somewhat.

Parys was on Electrical Black Out [Load Shedding] and shops were restricting access entry to 5 persons only at a time to purchase items.

However the delay of approx 30 minutes was in the end well worth the wait when the food was served at the table. Hot and tasty food is was indeed.

Umfula Resort is still busy with the construction of an indoor & heated pool to cater for the winter months which should make the resort a crowd puller.

After Brunch and after the food had settled some of the C/Ville Chapter Members accompanied Petro back to Potchefstroom & then rode onto C/Ville.

**All Reported Home Safe.**

Two members, Gerald & Beatrix were part of the organisers and thus couldn't walk as they had to "work". Allan & Trudie also just went to support those walking, due to medical reasons, thus leaving Stephanie Blaauw & the Nagel Family with dogs on leash who entered, walked and finished the race. Those that didn't walk did however hand in a monetary donation.

Allan, President thanked all those that showed up to support the Charity Event. With the 5kms walkers coming in early at from approximately 08h45 to 09h10. Then those riding to Ulysses Klerksdorp Day Jol quickly went home, showered dressed in ATGATT [All the Gear All The Time] and meet up at 007 Engen garage to ride off to Potchefstroom to meet up with the Chapter's Potch members so to ride together to Klerksdorp.

**A**rrived at Start Raceway after surviving extremely strong side winds. Petro riding her Harley Davidson 883 Iron was duly complimented on the way she had handled the strong winds without getting thrown around on the road. She did admit that her right arm was showing the results of counter steering by feeling a slight pain.

**W**alking around one could see clearly who the Klerksdorp Crew were with their Blue Ulysses Shirts or Black T-Shirts with the Supporters Badge on the front.

**W**ith the temperature hovering around 32 degrees the first thing was to source the Bar so as to get a something cold to wet the dry throats. Just as we sat down Johan arrived and joined the group.

**A**fter some cold ones the mission was to decide on what food to get for lunch.

**W**hile devouring the Beef Burger Stephanie's Lucky Draw No was called out - she came back with her Prize - a Wall Mountable Helmet & Jacket Stand.

**T**he group soon found the ideal cooler place to sit was on the grass in the shadow & against the Clubhouse wall.

Ulysses Klerksdorp Chapter -

Day Jol.

The Star Raceway.

Klerksdorp.

The group wandered through the Concourse Bikes on display. Judging was really difficult task with

so many near perfect bikes.

Trudie's Size Bike

The ride back home was hectic with the side wind so the group stopped over for coffee in Potch before heading for C/Ville.

**All reported home safe.**

27 September 2022.  
Pensioners Breakfast Run.  
Thirsty's Pub & Grill

Allan had made arrangements with Thirsty's that those riding would order off the menu for a change.

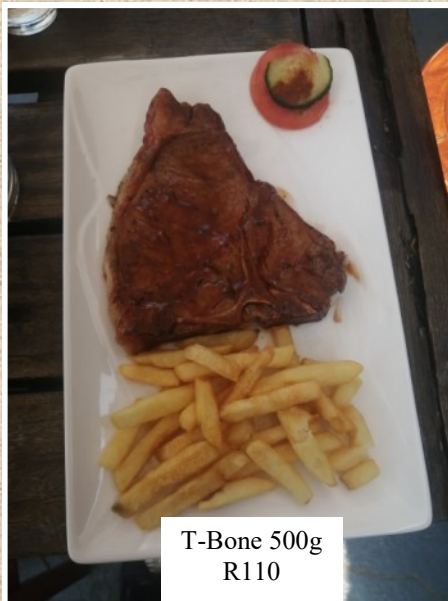

The Pensioner group faced strong side winds and temperatures peaked at 33 degrees but 15 x bikes rode to Thirsty's situated along the N14 just past Ventersdorp.

The group arrived at Thirsty's at about 10h15 & the staff were ready to serve the cold thirst quenchers.

# 27 September 2022. Pensioners Breakfast Run. Thirsty's Pub & Grill

Just to show the plates served and for 16 people the kitchen did well in getting the servings out in 40mins.

Just a pity the Restaurant is closed on a Sunday as it would be a nice run for a Club Breakfast/ Brunch/ Lunch. After the meal a number of pensioners decided to ride to Derby Butcher to purchase their famous WORS & then onto The Bru House situated along the R24 for a thirst quencher before proceeding to West Rand.

**Another awesome Pensioners Breakfast Run with all reporting home safe.**

**Dear Bikers, this can be a serious issue while riding bike 🤔**

**Be very careful with this. Take care of yourself and your loving ones 100**

I personally observed an old and well-known biker from Carletonville on his brand new Kawasaki ZX10RR suffer the same fate after a funeral service whilst pulling away slowly and he could not get his foot onto the ground to balance the bike and so it fell over causing some major cosmetic damages. Those standing outside the church all felt the biker's pain to both his pride & wallet, to get it repaired.

**Moral of the story is always wear your Biker Boots fitted with a zip.**
