Sunday Brunch Run Official Monthly Ride Parys Airfield & Vanderbijlpark Rossi Sport Bar 4 August 2019

It was proposed at the Monthly Chapter Meeting that the Official Ride for the month of August would be a brunch run to Parys Airport & the majority agreed.

The ride was also scheduled purposely to start at 11h00 thus allowing those who wanted to go to church first and thereafter could join in for the ride.

As one can see from the group photo that 12 souls in the photo who joined the ride. Bikes totalled 10. There were 2 lady riders [Petro & Mart] on their own machines which is a great sign for things to come in the Chapter.

Mark took the lead with Andries sweeping & then Petro decided she could lead and overtook Mark. Just before Parys Petro slacked off and let Mark lead the group again. At the bridge Mark signalled for Allan to take the lead through town and onto the Airport.

With the August winds blowing somewhat there weren't a lot of patrons so parking was not an issue and the group was quickly shown to seating. Photos of some of the plates delivered to the table as ordered.

Parys Airfield & Vanderbijlpark Rossi Sport Bar

4 August 2019

The waiting time was not too bad on this visit with only 20mins and the food was being served. It ended up with 2 servers looking after our tables. We were told that the De Jagers are the new owners of the restaurant and have been trying their best to jack up the food and service. Nobody in the group was heard moaning about the food or service while some even raved about the chicken Schnitzel.

Over brunch the proposal was made that the group take a detour via Rossi Sport Bar for a thirst quencher before heading home via the N1, R28, N12, R500 to C/Ville. All were in favour so off to Rossi it was.

Arrived at Rossi where once parked Trudie eyed a 3 tables under the trees which the group grabbed to be seated. Trudie was not going to be caught out again like at Parys Airport where the waiter had tried to squeeze 12 onto a 10 seat unit.

The boys just had to get in a photo standing next to the 2 race cars on show at Rossi.

After a nice cold one the group set off for the first garage so that those that needed fuel could top up with Allan in the lead. With enough fuel the group rode towards Carletonville. At the R500 turn Dawie waved good bye as he took the N12 towards Fochville whilst the rest took the R500 to C/Ville. The "slower riders" stopped at the Driefontein Offices side road where they said their goodbyes etc and then rode home. Yet another great day out had riding and socializing with friends with some visiting places for their first time.

All reported home safe on the Chat Group.

Monthly Meeting & Social.
3 August 2019.

Andries, who had gone hunting during the hunting season, had offered to host this month's Meeting & Social at Manda & his home where he would cook and serve the members and friends with a Game Potjie.

Even thou the meeting was only scheduled to start at 16h00, Andries was already hard at work busy setting up gazebo, tables, chairs and the potjie cooking spot as from 08h00.

Photo Left: When Noreen arrived at the function the whole group broke out in singing Happy Birthday to her as it was her birthday. Her smile said it all.

The Chapter's large 6m x 3m gazebo had been erected and sides hung to shield the prevailing August winds from the members.

Shortly after the meeting was closed Andries announced that the Potjie was ready to be served. Yes, that was one massive potjie.

Photo on Right: After supper the Chapter Vice decided he would like to enjoy some good red wine but his not finding a glass was not going to hold him back in anyway. And in the Growing Old Disgracefully Fashion he enjoyed his bottle of wine.....and as we all have learnt ALWAYS BE AWARE of the Cameras at all times - You will be caught and at your weakest moment too.

The social was really a great one indeed with some members REALLY enjoyed maybe just too much Red Wine....hehehe.

Tuesday Pensioners Breakfast Run.

Oribi Pub.

Randfontein.

6 August 2019.

Must be a "Wild West"? Car Guard looking after a patron's horse while the rider is inside having a quick one??

A smaller group than normal, made up of only 8, met up at The Dros in Krugersdorp for a ride to Randfontein for breakfast at the Oribi Bar. Prior arrangements had been made with Tersia of Oribi that she open up a little bit earlier than normal so as to cater for the group's normal breakfast run times.

The ladies in the photo above made the breakfast all possible under direction of Tersia who was bending so as not to block the bikers behind her for the photo shoot. She didn't want the bikers to stand on the table :).

Tersia when not running the Oribi Bar puts on her Scream MCC colours. So she truly understands biking well and the breakfast spread that was delivered to the table was top of its class. There was the usual Coffee with a Whaaa for those who are brave and she then even offered those hungry bikers a second helping & all at the same cost. A few pensioners gladly took up her offer & said then they will be able to give lunch a miss.

Tersia informed the group that they are always welcome at the venue & hopefully soon for another breakfast.

Smile a While

I just hate taking the wife shopping!

The biker blurted out that he is emotionally constipated.....

In that he hasn't given a shit in days.

A biker being arrested by a female police officer, who informs him, "Anything you say can and will be held against you."

The biker replies, "Boobs!"

Can't wait to get my first paycheck!
I'm gonna drive the folks crazy.
