31 August 2019 Spring Beer Festival Stonehaven on Vaal

Months back a suggestion was made on the Chat Group that the chapter members consider attending the Spring Festival. On the day there were 12 who attended the event.

It was reported over the PA system that this year's attendance at the event had surpassed previous years gate numbers and now the highest numbers every in attendance. Great achievement for its 21st Festival.

The Beer Festival had a variety of Craft Beers on sale so some were tried and the Soweto Cherry Ale came out tops tasting like cold drink but at R50 a glass moved over to the traditional beers. Also available were beer brands with 0% alcohol content.

Spring Beer Festival

Half of the group had decided to err on the safe side and had arranged to sleepover and had booked into a Guest House just a short distance away from the event. This avoiding the night ride home. They had also decided that they would have a breakfast at The Rossi Sport Bar on the Sunday morning on route home.

Vaal River Guest House.

Rossi's food was as tasty as normal and after breakfast & chin wag the group split up with Mark & Petro going to Joburg along the N1 and Andries, Manda, Trudie & Allan going via the back roads to Fochville & Carletonville respectively.

Yet another enjoyable event spent with great friends.

Breakfast Run

Krugersdorp Aerodrome

Tuesday there were 6 riders who met up at 007 Engen Garage in C/Ville to ride to the Dros in Kdorp to meet up with the West Rand riders.

The venue chosen was the Krugersdorp Aerodrome Members Restaurant near the Kdorp Municipal Traffic Centre.

Was great watching the student pilots practicing their take off and landing procedures. A Helicopter was also doing its practicing very close by.

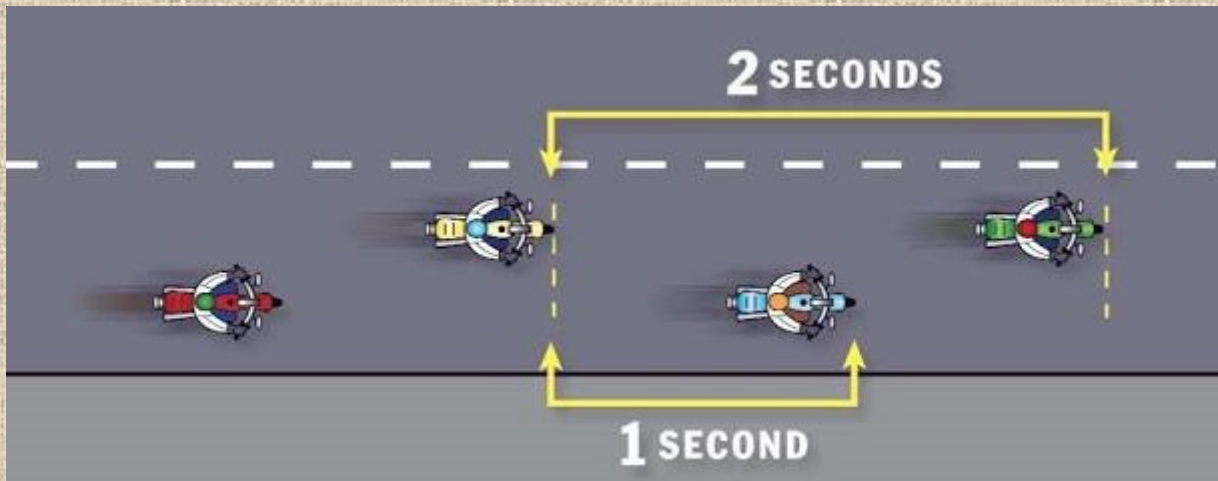

The photo above right one can see in the back ground just how close one sits to the runway & taxi lanes. It is just great place to sit outside on the veranda under the shade nets eating. Thank goodness the wind died down completely so the reek of raw sewerage from the plants below in the valley was not noticeable whilst we had our breakfast meal.

Photos of some custom Harley Bobbers that rode with.
Great Morning Outing.

Tips & Hints

What is the ideal staggered riding formation?

Why must a person ride their bike regularly and under all conditions?

Proper and regular training sharpens the mind and senses, when repeated and applied, builds muscle and mental memory to successfully avoid or minimize risk.

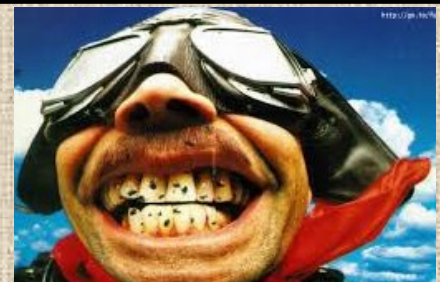

What must one consider when riding with an Old School open helmet?

Facial Protection:

If you wear an open faced helmet you will be exposed to the elements.

Source a good strong and approved set of goggles. Beware of cheap ones where the glass can shatter in to pieces and damaging you eyes.

So as to protect your face from bugs, road dirt, etc a good Buff, Balaclava or Face Mask should be sourced. Some Balaclavas even come with a rubber nose and mouth piece section offering greater protection from the airflow and road debris.

There are varying materials for temperature differentials offering from Ultra Thin, Cool Max, Thermal, and Merino Wool Balaclavas made for bikers.

Failing which don't forget to carry a pocket filled with Toothpicks.

Smile a While

LOUD PIPES SAVE LIVES!!!

The old biker chirped, "Life is like toilet paper, you're either on a roll or taking sh1t from some asshole."

One day, a little boy wrote a letter to Santa Clause, "Please send me a sister." Santa Clause wrote him back, "Ok, just first send me your mother for a few nights."
