Sunday Breakfast Run
Aviators Brewery
Skeerpoort / Harties

Arrived at Aviators only to be glad that we had pre-booked for breakfast as the place was packed with few empty tables available. Even thou it was packed the waiters were reasonably quick to take the orders and then to serve the meals.

The group was seated under the Patio but there were also garden gazebos scattered around.

A 1 x man band was playing the guitar and generated some really good music & vocals.

Sunday Breakfast Run
Aviators Brewery & Van Gaalen Cheese
Skeerpoort / Harties

Whilst waiting for the food to be served Mark & Jason disappeared to go look see an old aeroplane from years gone by. Looking at the wings it surely doesn't fly any more.

During breakfast Trudie asked who wants to go pay a visit to Van Gaalen Cheese Farm where one can purchase some cheeses and other goodies.

So after breakfast the group mounted their bikes to ride for down the road to pay a visit to Van Gaalen Cheese Farm.

After purchases had been made the group sat down on the Veranda and had a cold one to quench the thirst on a very hot spring day in the Harties region.

The group, on a full tummy by then, took a gentle ride home on a some what lonely road back to C/Ville and arriving home at just on 14h00 and in time to watch the MotoGP race.

All reported Home Safe.

Chapter Monthly Meeting & Social

With the warm spring weather of late, it had been decided to hold a Bring n Bring after the monthly meeting.

The meeting had some highlights which needs mentioning first. Dawie, our Chapter's first Philysses Member, having now turned 40 and thus duly Patched with a Ulysses Patch. Dawie rides either his Harley Davidson Road King or his BMW R1200 GS.

Allan Presenting Dawie with his Ulysses Patch.

Patching of Mart & Jason Doran also took place as they had completed their 3 month trial period. Mart rides a Triumph Street Twin whilst Jason rides either his Triumph Bonneville or his Thruxton.

Chapter members present all gave the 3 newly patched members a loud applause in congratulating them. With this it must be said that the Chapter now stands on 28 Patched Members in good standing. A growth in the Chapter of 27.3% since 1 April 2019.

Chapter Monthly Meeting & Social

Photo Left:

Allan had received a gift Hamper from the President of Red Heart Rider's night jol and he offered the hamper up for auction at the Chapter's Meeting.

The first winner of the Auction was Marius who then handed it back to the chapter for re-auction after paying his money over.

The second round was won by Mark and just as his wife, Petro, was thinking that she was going to have one of her favourite drinks poured, Mark duly donated it back for re-auction after paying the money. Well the look on Petro's face told everybody that Mark would be sleeping the the Dog's Kennel, hehehe.

The 3rd and final auction took place with Gerald winning the hamper 3rd time lucky and duly deciding to hang onto his prize and paid over his dues. The Chapter due to the good heart of its members had raised a tidy sum going towards the Chapter Year End Break-a-Way Kitty.

The 2 x large braais served the needs of the members well and it was not long that all sat down to enjoy the first Chapter Braai meal after the winter. The ladies who had supplied the side dishes/salads also need to be thanked for their effort.

Yet another Monthly Meeting held by the West Wits Chapter which even though not yet 2 years old but is still growing from strength to strength.

One must always be conscience of the fact that a Chapter's True Strength lays in the Collaboration of its Members.

All reported home safe.

Pensioners Breakfast Run
Willoughby's Fast Foods
53 Human Street, Krugersdorp

There were 4 riders from CVille /Fochville that rode through to join up with the West Rand Pensioners Group at The Dros in Krugersdorp.

Neels announced that a booking had been made at Willoughby's in Krugersdorp West.

The 15 riders set off following Neels who then handed the lead over to Hannes so that the group didn't get lost. Arrived at the Restaurant and found parking for the bikes on the pavement, in the alley and in a street parking bay.

The whole group settled for the Large Coffee with the breakfast special which cost less than R50 per head.

Food was excellent and served hot on a warm plate. This small restaurant went out their way to ensure that the group makes a return trip in the future..

Tips & Hints

WHAT IS A SWEEPER?

Below is a brief note of but some of the functions of a SWEEPER:

He/She is normally an experienced Road Captain who is positioned at the rear of the riding group so as to help fellow riders should they go down, binned it or if they have mechanical issues etc.

During the group ride the Sweeper would take the position so as to delicately discourage cagers from sling slotting and overtaking some of the group especially as two lanes are going to merge into one so as to prevent the cager being caught up in the middle of the group of bikers. A cager caught up within a pack of bikers with no place to go it could cause panic for both cager and bikers and thus create a potentially dangerous situation which ideally should be avoided. The Road Captain in the lead may even slow the riders down so that the cager can be waved to pass the group before the group runs out of lane. In other cases the Lead Road Captain could call for a single file and move over to create more space for the cager to manoeuvre. All this actions are more easily handled by a Lead & Sweep team combination.

Smile a While

Most people are shocked when they find out how bad I am as an electrician...

I recently changed my password to "incorrect". So whenever I forget what it is the computer will say "Your password is incorrect".

How is it that I always seem to buy the plants without the will to live?
