## 1 - 3 November 2019 Chapter Year End Breakaway Modimolle Holiday Resort Limpopo Province

What started out in February 2019 already when looking for a venue to cater for a whole bunch of Ugly Bug-gers and where Harold & Bernie put forward the Modimolle Holiday Resort as a suggestion. Google helped as most went away and goggled the venue and at the next meeting supported going to the venue.

Bookings were made and the countdown began until on Friday 1 November reality kicked in and the day had arrived and those going were on route to Limpopo Province some 263kms. Lovely test run for next years Ulysses National Rally at ATKV Klein Kariba Holiday Resort which is only 238kms away from C/Ville.

Some went by bike others by cage. Large cooler boxes needed transport other than on a bike. With the hot weather predicted it would take a lot of cold liquids to stay hydrated.

Allan & Trudie were the first to arrive on site thus affording Trudie the opportunity to finalise the paperwork with the reception before the rush.

Specs, Hanelie & Marius in a cage followed by Gerald & Beatrix pulled up at Reception as Trudie had completed the paperwork.

## 1 - 3 November 2019 Chapter Year End Breakaway Modimolle Holiday Resort Limpopo Province

**-Friday-**

Jason & Mart Chalet was right next to the warm water pool - better than that they could not organise.

The ugly buggers all had a Friday afternoon swim before the evening braai. The kiddies enjoyed the warm water just as much and everybody gave the large un-heated pool a wide berth.

The weekend getaway was truly a family event when one looks at the photos. Some of those kiddies might just grow up to ride bikes, prospect for 40 years and then become an ugly bugger, who knows?

Friday evening Braai was under the direction of the Braai Master, namely Gerald as the soatsies know nothing about setting the perfect coals and grid height for a braai. Wors and a number of Viennas was braaied for the Wors Rolls & Hot Dogs served.

It was early to bed [22h30] for all as Saturday was going to be a long day of Rugby,

swimming, walkabout and then the Meeting and Social.

The burglary of one of the accommodation units had placed a damper on the weekend events leaving many with a bitter sweet taste in the mouths.

**- Saturday -**

The programme had it that Breakfast/Brunch would be served at 10h00 followed by a stroll to the TV Room nearby to sit and watch the Rugby World Cup on the big screen.

**Allan** was tasked to making toast from just more than 1 loaf of sliced bread. No Holy Cows for the weekend.

**Just** in case, Andries was there to check that all went as per plan so that the group ate on time so that nobody would be late for the Rugby Kickoff.

There was place to seat 20 for breakfast in the large Knipnes huis.

**Gerald** was tasked to carry out his wonder chef work on the ox kidneys.

- Saturday -

After the breakfast tables had been cleared and kitchen cleaned up. No Holy Cows - Nicky [Vice] even mopped the kitchen floor. The group then set off for the TV Room and as from the photo right, one can see, who took over the room to watch the game.

After the game there was free time and some relaxed while others took a stroll around the resort and even visited the donkeys and others went swimming whilst some had a snooze.

At 17h00 all started to move to the Lapa and the Boma. The Lapa being where the tables were set out for the Meeting to take place then dinner. The theme was that all table mats which contained a

collage of Chapter Photos taken during the year. Those table mats really got the members chatting whilst looking at some great memories. Allan and Nicky walked round handing out 2 x key rings to each member which had their names engraved onto the back and the date 1 to 3 Nov 2019 as a memento of the weekend.

**- Sunday -**

The group had decided to move the breakfast to 09h00 and to try the Modimolle Holiday Resort's Coffee Shop breakfast sitting.

Trudie had made prior arrangements on the Saturday for breakfast for 20 people. On the groups arrival the table had been merged to accommodate all in a long table format.

The breakfast was very tasty and would recommend it to others for sure.

After breakfast the kiddies and some adults went outside to feed the donkeys with some of the veggies that they had kept for the occasion. One donkey newly named "Grumpy" because he grabbed hold of Jason's finger and just would not let go until he realised it was not veggies.

**Saturday Evening's Shooters**

The group left the resort just on 10h30 and even though some had some issues on route home but when summed up in a nutshell it overall had been a great weekend away, especially the highlight of the weekend when the Bokke lifted the Webb Ellis Cup.

**Now to start planning already for the bigger and better

The C/Ville & Fochville group met up at 007 Engen garage from 07h40 to leave at 08h00 for The Dros in K/Dorp so as to go meet up with West Rand Group and to hear Neels announce the venue name decided upon.

On arrival at The Dros, Neels informed the group that the Pitstop had to be cancelled as they had another large group to cater for and that the group would be going to the My Carwash & My Restaurant in KDorp West.

So were can one eat a good sized breakfast with coffee for only R35-00 or R55-00? At least the Coffee Cups were a good large size and coffee was hot.

Bunch of Old Pensioners discussed having a Special Badge Made that can be worn on the Cuts to indicate a Regular Pensioner Breakfast Rider. Much discussions took place with no final outcome. Next Week, Round 2.

Left the venue and rode via the R24, N14 & R500 back to C/Ville.

eBay is so useless. I tried to look up lighters and all they had was 13,749 matches.
