Bikers were arriving, staying an hour or so and then leave again being replaced with other bikers. After 2pm there were many bikers arriving after work.

Left: A vendor even had some Hush Gummies & Wacky Worms for those that needed a bit of giggling in their life.

Right: Ulysses West Rand members arrived and join the West Wits Table.

The Bikini Girls were notably busy washing bikes which had queued up.

There were some beautiful bikes at the Jol. This Suzuki Busa was ridden into the venue by a Lady Rider.

The heat after midday was extremely hot so many bikers took a dip in the plastic pool so as to cool down.

The first meeting & social took place on the 08 February 2025. It was only John & Anne-Marie who had ridden by bike. They rode from Welverdiend to attend the meeting & social. The rest came by cage so as to bring their cooler boxes etc.

Before the meeting commenced there was a few Chapter Rituals like pre-meeting shooters down the hatch to lighten up the meeting somewhat.
